Exquisite \$5 and \$6 Blouses

Chiffons, Satins and Lace \$2.98

Sale Tomorrow at

THE EXTENSIVE VARIETY OF BEAUTIFUL STYLES baffles description, but every blouse is in excellent taste and sure to please the most discriminating woman.

All are from our regular stock, but as some of the blouses show slight signs of handling, and as the size ranges are incomplete, we offer them at a price that will cause them to find new owners quickly.

FOUR OF THE MANY STYLES ARE ILLUSTRATED. Every one charmingly made of CHIFFON, SATIN or LACE.

One clever style is of delicately embroidered chiffon of a color to match your suit over a foundation of white or flesh chiffon. The colors here are true do negro, Russian green, Belgian blue, battleship gray, navy and black. Many other styles have handsome lace, beehive or silk collars, fancy yokes effects, or accordion pleating for trimming.

But you must come to The Big Store and SEE these delightful blouses—a bargain surprise awaits you.

Sale of Silk Crepe de Chine or Voile Blouses at \$1.79

This event will be continued for tomorrow, so as to afford those women who could not attend yesterday another opportunity to supply their blouse wants. Smartest styles for the coming season at a remarkably low price. Blouses for dress and semi-dress, as well as smart tailored effects, are included. Among the many new styles are models with standing or rolling collars, and those with CONVERTIBLE COLLARS, which permit two styles of wear. Delicately embroidered lace or beehive and to their beauty.

THE SILK CREPE DE CHINE BLOUSES in such pretty colors as gold, sand, flesh, pale blue or white.

THE VOILE BLOUSES in battleship gray, petty, sand or white.

Sale of Exquisite \$25 to \$39 Diamond Rings at \$19.50

We don't know of a time when such beautiful diamond rings could be bought at a price like this. Six of them are illustrated—perhaps you can judge their beauty from the pictures. As for the quality of the stones—if you are not an expert, bring one with you, and you'll find out the bargain you are getting.

Round cluster of 7 diamonds in a platinum setting—these were \$29. Man's 9-stone diamond round cluster ring—these were \$39. Hoop rings with three diamonds and two square sapphires—these were \$35.

Single diamond rings set in filigree platinum—these have been \$35. Five-diamond hoop rings—these were \$29. Princess cluster of seven diamonds—these were \$25. Single stones in Merry Widow setting—these were \$35. Every ring is of 14-kt. gold, the stones platinum set. Choose at \$19.50—but don't delay, for we expect them to be "gobbled up" quickly.
